Dear Mr. Doughty:

This letter will introduce Mr. Gordon Hopson as a contract employee representing EPA on an NPDES inspection of your facility.

This inspection is to be conducted during June of 1989. Please extend to Mr. Hopson the same courtesies that you have provided to our inspectors in the past. Mr. Hopson will be collecting relevant information relating to your NPDES permit, including personal interviews, photographs, and effluent samples.

Thank you for your cooperation.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "Warren T. McFall", is written over the typed name.
